How is the Message Communicated?

Use dance vocabulary, where possible.

What did the dancers do?	How did the set/lights/ costumes contribute to the message?	How did the description or explanation from the artistic director contribute to your understanding?
Consider one or more of the following:	Consider one or more of the following:	Consider one or more of the following:
 What shapes are the dancers making? Are they using mostly locomotor or non-locomotor movements? What formation(s) are they using? What level(s) are they using? What do you notice about the relationship between dancers? 	What images/motifs were projected on the cyclorama (white screen at the back of the stage)? What colour lights were used? What style and/or colour were the costumes worn by the dancers?	How did Moopen's cultural background provide inspiration for the movements? What were some of the challenges Moopen faces when trying to translate ideas into movement?
