

## Create A Tableau Activity

**Instructions:** For the tableau activity, choose a memory or idea you would like to express in a tableau or a short description. Consider the following tableau components and guiding questions.

Tableau components	My ideas and responses
<b>Character:</b>  Who is the character in my tableau?	
<b>Space:</b>  How can I use the space around me to convey the moment?	
<b>Gestures/expressions:</b>  Will I use my face, body, or another method to express my feelings and ideas?	
<b>Focal Point:</b>  How might I use levels to create a focal point?
