

# Soundscape Outline

Each of my symbols and their meanings:

| Symbol of sound | 0-5 sounds | 6-10 seconds | 11-15 seconds | 15-20 seconds |
|-----------------|------------|--------------|---------------|---------------|
|                 |            |              |               |               |
|                 |            |              |               |               |
|                 |            |              |               |               |
|                 |            |              |               |               |
