

My Graphic Score

Make a 15 second graphic score. You can create your own symbols and draw or write them in the 'Legend' box. Then, place those symbols in the "0 to 5 seconds," "6 to 10 seconds," and "11 to 15 seconds" boxes.

For example, you could use a symbol of a bird to represent the sound of a bird chirping.

Legend:

Graphic symbol	0-5s	6-10s	11-15s
