

## Reviewing Art: Norval Morrisseau

Record answers to the following questions.

1) Description

What objects and subjects are represented in this painting? What is their relationship to each other?

2) Elements of design

How are the elements of design used? Which element stands out most to you?

Consider your knowledge of line, shape, colour, value, form, texture, and space.

## Reviewing Art: Norval Morrisseau

<p>3) Principles of design</p>	<p>How are the principles of design used? Which principle stands out most to you?</p> <p>Consider your knowledge of balance, contrast, emphasis, harmony, movement, and proportion.</p>
<p>4) Interpretation</p>	<p>How does this image make you feel? What does it make you think about?</p> <p>Consider if you make an image-to-self, image-to-image, or image-to-world connection with the image.</p>
