

## Critical Thinking Skills Organizer

<p><b>Describe</b> What do you see in this picture? Describe elements in the image, and not what your brain thinks or feels about them.</p>	
<p><b>Analyze</b> Make observations about the details in the artwork. What are the artistic details in the artwork?</p> <p>Use the following elements of art to guide you.</p> <ul style="list-style-type: none"><li>• colour</li><li>• line</li><li>• shape</li><li>• value (light or dark tones of colours)</li><li>• form</li><li>• texture</li><li>• space</li></ul>	
<p><b>Interpret</b> Now that you have made observations about what elements are in the artwork, draw your own conclusions about what you think those things mean or represent.</p> <p>What do you think the different aspects of the artwork mean?</p> <p>What might be the artists' intended message?</p>
