

Organizer: Planning My Project

1. Pick your environmental issue:

deforestation

renewable energy

single-use plastic

2. Decide who your audience will be:

students younger than you

students your own age

adults

3. Pick your method of communication:

poem, song, or rap

poster (print or digital form)

newspaper article

piece of art with a written explanation

short essay (print or digital form)

blog post

podcast episode

other

5. Fill in the following table:

<p>Main point(s) about the issue. How is it affecting the environment?</p>	
<p>Main point(s) about the solution. What sustainable ideas can help?</p>
