

# NGO Activity Chart

Task	Your Choice
Select a resource	
Create mission statement	
Research information on your topic:  Did I include at least 5 sources which include an Indigenous perspective?	

# NGO Activity Chart

Task	Your Choice
Questions to ask about the resource:  What is it?  Where is it sourced in the world?  How much is used every year?  How much is left?  What is the resource used for?	

# NGO Activity Chart

Task	Your Choice
<p>Indigenous focus:</p> <p>How does the extraction of the source affect Indigenous peoples?</p> <p>What types of partnerships have been created between companies, governments and Indigenous perspective?</p> <p>How are Indigenous Peoples leading the way in creating a sustainable future with regards to the resource?</p>	

# NGO Activity Chart

Task	Your Choice
How can your NGO work in partnership with Indigenous peoples to ensure a sustainable future?
