

Peer Pressure Tic-Tac-Toe

Draw or type an 'O' on the statements you think are true and an 'X' on the statements you think are false.

Peer pressure is always negative	Peer pressure doesn't hurt anyone	Another name for positive peer pressure is peer support
Choosing a positive peer group is a good way to avoid peer pressure	Peer pressure happens when someone your age tries to persuade you to do something you wouldn't normally do	Changing the subject is one way to react to peer pressure
Peer pressure is always done with words	Self-esteem comes from inside you	TV ads never target kids
