

# Zoo Crew

Record your zoo crew in the following table. Record your animal, their movement, direction, and speed.

There is an example in the table to get you started.

| Animal | Movement | Direction | Speed  |
|--------|----------|-----------|--------|
| Cat    | Crawl    | Forward   | Slowly |
|        |          |           |        |
|        |          |           |        |
|        |          |           |        |
|        |          |           |        |
|        |          |           |        |
|        |          |           |        |
