

My Game Strategies

1) Record the **strategies** that you practised while playing each of the games from this learning activity.

Consider the rules of the game, the movements involved, and the goal of the game.

Floor target game	
Wall target game	

My Game Strategies

2) Record the **active game category** that you think each of the games from this learning activity belong to.

Remember, the five categories of active games are: target games, strike and field games, net and wall games, territory games, and individual games.
