Projectile Accuracy Results

Check the boxes for each trial where you were able to successfully send the projectile to the target. Then total the successful sends up and rank the projectiles from 1 to 4 (1 is the most accurate to send to a specific target and 4 the least accurate to send to a specific target).

| Projectile | Trials | | | | | Total successful | Ranking |
|------------|--------|---|---|---|---|------------------|---------|
| | 1 | 2 | 3 | 4 | 5 | sends (out of 5) | Ranking |
