Imagine Where You Are!

Up. What is up? Imagine you are climbing to the sky. You are going up.

Down. What is down? Imagine you are going down a ladder. You are going down.

Over. What is over? Imagine you are going across a bridge. You are going over.

Under. What is under? Imagine it is raining and you have an umbrella. You are under.

In. What is in? Imagine you go inside
your house. You are in.

Out. What is out? Imagine you go outside your house. You are out.
