

## Jacob's Presentation Strategies Table

| Jacob's Presentation Strategies                                                                                                                            |         |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| Record the different oral presentation strategies that Jacob used in his introduction, then record the example you remember Jacob using for each strategy. |         |
| Strategy                                                                                                                                                   | Example |
| 1) Visual Aid                                                                                                                                              |         |
| 2) Verbal Cue                                                                                                                                              |         |
| 3) Non-verbal cue                                                                                                                                          |         |
| 4) Other                                                                                                                                                   |         |
