

## Different Perspectives Chart

Explore the passage from the video "Raven's Quest – Gr 1-3 Social Studies: Morgan" below and determine which word clues are used.

Can you create a different version of the text? Change the perspective by locating and changing word clues.

### First-person perspective:

What I'm wearing is called a Métis sash. I like the white because it represents the connection between us, and our earth and I like the yellow because it represents hope and our bright future.

### Third-person perspective:
