

## Groupings Chart

	Partner Situation	Small Group Situation	Large Group Situation	Very Large Group Situation
The words you use				
Your vocal strategies such as voice, tone, pitch. (This can also be communicated in a script through punctuation and text features such as bolding, italics, underline and cases)				
The non-verbal strategies such as facial expressions and body gestures. (This can also be communicated in a script through stage direction or be emphasized through text features as well)
