

Connections Chart

Use the following chart to record the detailed connection that refers both to the text AND the connector for each of the examples.

Example of oral text	Text-to-Self	Text-to-Text	Text-to-World
Audio book about friendship			
A song about the artist's lived experience			
A short video clip on stars			
A short story about creativity			
A debate on cell phones for teens			
A presentation on a new type of energy resource
