

Steps of the Writing Process

1. Prewrite

Think about what you would like to write about, your topic, and come up with ideas!

2. Drafting

Take some time to gather your thoughts and then write them on paper.

3. Revising

Make your writing better by rereading what you have. Add more details and change anything you want.

4. Editing

Correct your work! Double check your spelling, grammar, capitalization, and punctuation.

5. Publishing

Make it neat and share! Get ready to share your literary masterpiece!
