

Poem Worksheet

Identify the nouns (objects) and the verbs (actions) that the object is doing.

The Storm

A storm is coming.

The wind howls, louder and louder.

The sky turns out the light and pulls up a thick blanket, of heavy grey clouds.

A storm is coming.

Lightning flashes in anger and thunder yells back,

The sky grows sad and begins to cry,

Droplets of rain grow larger and larger,

Spilling down the sky's cheeks,

Onto the ground.

A storm has arrived..

Poem Worksheet

Along the Path

A tree lifts its arms to the sky and stretches,
As the leaves fall from its branches and dance
to the song of the wind.
And the birds' gossip to one another before
preparing to take flight
they say "1, 2, 3, Go!" and are off into the sky.
The path winds one way and then another
Not knowing it's final destination.

Dinner's Ready

Twists of pasta swims in a pot of hot sauce
Vegetables sing in a pan of sizzling oil
Potatoes dance and swirl together as they are
mashed
in their little bed
Bread and butter whisper secrets as they come
together
on a plate
Meat muttering in the oven
Dinner's ready!
