Example Dialogue From the Video	Would a Description Be Necessary?	Explain Why or Why Not
The narrator says, "Absolutely beautiful," and then the scene changes.		
The narrator says, "The young crocodile slowly leaves muddy water in search of a warm place to have a nap."		
The narrator says, "As you can see, it was settling in quite nicely."		
The narrator says, "It's midnight. The owl flies above its territory, searching for its evening meal."		
The narrator says, "Cold, yet sunny, winter days like these are perfect hunting days for the white wolves of Alaska. They move in a pack through the woods, camouflaged by the snow hanging on the trees."
