

Task 3: Sum of 20

Complete the following equation and be prepared to share your understanding.

$$\underline{\quad\quad} + \underline{\quad\quad} = \underline{\quad\quad} + \underline{\quad\quad}$$

1.) Chose two numbers that have a sum of 20. Record those two numbers on the left side of the equation.

2.) Chose another two numbers that have a sum of 20. Place those two numbers on the right side of the equation.

3.) Show that the right and left sides of your equation are equivalent by drawing a picture or by using objects.
