

Budget Adjustment Activity

1. What is the difference between the employee's planned budget and their actual expenses?
2. In what areas did the employee overspend and what areas did they spend less than they planned?
3. Where did they spend the most money?
4. How much did they have at the end of the month to put into savings?

Budget Adjustment Activity

Help make a new budget plan for the employee. To create a budget plan you can use a digital spreadsheet, paper, a document, or an organizational tool of your creation.
