

## Investigating GICs Organizer

Visit the website of your local bank and do some research of your own to determine the GIC or term deposit that is best for you. You can compare the GICs offered at different banks if you want to expand your search. The minimum amount to invest is \$500.00 and some GICs offer variable interest rates based on the performance stocks.

Bank and type of GIC	Description of terms	Would you choose this GIC? Justify your answer
