

Use the map of Dolphin Cove to answer the following questions:

1. Find the location for:

- waterfall

- boat

- trees

2. Describe what is close to the playground.

3. What is located at the following places?

- B4

- A5

- G7

- G1

4. Recycling bins need to be added to Dolphin Cove.

- Create a symbol for the recycling bin and describe where it could be added to the grid.

- Use the letters and numbers to describe the location and describe what objects are around the recycling bins.
