

### Exploring Rectangles with the Same Area

| Base length (cm) | Base Width (cm) | Area (cm <sup>2</sup> ) | Perimeter (cm) |
|------------------|-----------------|-------------------------|----------------|
| 8                | 3               | 24                      | 22             |
|                  |                 |                         |                |
|                  |                 |                         |                |
|                  |                 |                         |                |
