

Flight Path: Hang Glider Activity

Check out the following image, then explain the strongest force of flight along each section of the hang glider's flight path.

Flight Path	Strongest Force of Flight (lift, weight/gravity, thrust, balanced)	Explanation
A		

Flight Path: Hang Glider Activity

Flight Path	Strongest Force of Flight (lift, weight/gravity, thrust, balanced)	Explanation
B		
C		
D		

Flight Path: Hang Glider Activity

Flight Path	Strongest Force of Flight (lift, weight/gravity, thrust, balanced)	Explanation
E		
F		
G
