

Ask, Think, Plan, & Share Activity

Ask!	What is the problem you are trying to solve?	<p>I can:</p> <ul style="list-style-type: none">• review information that I already learned related to the question or problem• ask people who may know about the problem• consider what I already know about the problem
Think!	What are some possible solutions? Brainstorm your ideas here.	<p>I can:</p> <ul style="list-style-type: none">• think about all of the possible ideas or solutions• think about what solutions already exist and how they will help me or can be changed to make them better• combine new ideas with existing solutions

Ask, Think, Plan, & Share Activity

Plan!	Plan a design, and if possible, create a drawing that includes all materials you may need.	<p>I can:</p> <ul style="list-style-type: none">• choose what I think will be the best solution• draw or create a detailed description of my design (i.e., What vegetables would you grow?)• add labels and materials that would be needed
Ask!	Does this solve the problem? Who will I need to consult?	<p>I can:</p> <ul style="list-style-type: none">• ask who you would need to discuss this plan with at the school (i.e., What questions would you ask them?)• ask how I will know if this solves the problem

Ask, Think, Plan, & Share Activity

Share!	If possible, share your idea with others in a method of your choice.	<p>I can:</p> <ul style="list-style-type: none">• think about who I will share my idea with• choose a way to share my design and plan• create a presentation in a method of my choice to share• revise my presentation and share
