

Rooftop Garden Design Worksheet

Create your rooftop garden design by recording answers to the following questions.

Ask

What is the problem you are trying to solve?

Imagine

What can you include in your rooftop garden design? What did you like about other designs you explored?

Plan

What materials will you use? Why?

Plan

What vegetables will you include in your garden? Why?

Rooftop Garden Design Worksheet

<p>Plan What else do you want to include in your garden? Why?</p>	
<p>Plan What do you think people will use your rooftop garden for? How will they interact with it?</p>	
<p>Create If possible, draw a sketch of what your rooftop garden or design a model. Be sure to label key components.</p>	

Rooftop Garden Design Worksheet

Test

What would you want to test out about your garden? What questions might you ask an engineer? How would you test it?
