

Action Plan Steps

Steps	Action Plan
What is my environmental focus/topic?	
What questions can I ask about the topic?	
How will I gather data? (surveys, interviews, questionnaires, online/text research, observations, maps, etc)	

Action Plan Steps

<p>Which level or levels of government should be involved?</p>	
<p>What are some ideas to help solves the environmental issue?</p>	
<p>Why is this environmental issue important?</p>	
<p>What specific actions can the appropriate level(s) of government and/ or citizens take?</p>	

Action Plan Steps

What information/ data will I include in order to support my action plan?
